## Sources News Releases - Free for members

Publishing articles and news releases that spotlight your expertise is one of the very best ways to build your credibility and attract positive attention. As a SOURCES member you have FREE access to an extremely effective tool for doing exactly that.

SOURCES enables members to publish unlimited articles and news releases on Sources.com - FREE. As well as appearing on Sources.com, the articles and releases go out to the media and on the Internet via RSS feed, and are indexed by all search engines and by news aggregator/RSS sites.

Put yourself - your organization/business - out there as a credible and quotable source of expertise on your chosen topic. By publishing articles and releases, you provide information and perspective that other people will find helpful, and by doing so you demonstrate your knowledge and expertise as a 'go-to' person in your field.

Raise your profile. An article published on Sources.com reaches a potentially huge audience (Sources.com records more than 700,000 page views a month) including thousands of journalists, editors, and media professionals. And since your SOURCES profile, news releases, articles, and events all link back to your own website, you automatically increase your own site's visibility every time you publish something on **Sources.com**.

### *To post your releases and articles:*

**Go to: <http://gateway.sources.com>,  
 enter your username and password,  
 and follow the on-screen instructions.**

**Your submission will appear online as soon  
 as it has been reviewed and approved by a  
 staff member.**
