Sources has a fast, affordable

PRESS RELEASE SERVICE

Sources can distribute your news releases and statements to the media and to government decision-makers. Utilizing the *Sources* media database, which lists print and broadcast media outlets across the country, this is a powerful new tool for getting your announcements to the news media.

You can target your news releases geographically, and by media type: TV and radio, daily, weekly, ethnic,

and campus newspapers, trade and consumer magazines, and news and wire services.

For organizations and companies involved in government relations, *Sources* also offers distribution to a comprehensive list of federal MPs and Senators, and provincial legislators, as well as to senior staff and government ministries coast to coast.

We can transmit your message to your selected audience quickly, effectively, and very affordably.

For more information:
