Gold Award Winner

Towers of Deception

The Media Cover-Up of 9/11

Barrie Zwicker

The role of both mainstream and left-leaning media has been to cover up the startling truth that 9/11 was an inside job; they fail to question the obvious absurdities and contradictions of the official story.

Now in its second printing, *Towers of Deception* and *New Society Publishers* have won a Gold Award from the Independent Publisher Book Awards in the category of Current Events.

"I read your book Towers of Deception with riveting interest. I finished it in one day and I am a slow reader!"
