INCLUDES DVD: The 9/11 News Special You Never Saw

Towers of Deception
The Media Cover-Up of 9/11
Barrie Zwicker

The role of both mainstream and left-leaning media has been to cover up the startling truth that 9/11 was an inside job; they fail to question the obvious absurdities and contradictions of the official story.

CONVERGENCE

Focussing on issues facing the media, Convergence Magazine is really about just three things: Where have we been, what are we doing and most importantly, where are we going. The questioners, editors, photographers, and designers, are final year students in the Journalism, Electronic Publishing and Creative Photography programs of Humber College.
